by Beth Moore

**ACROSS:**

- 4 To Paul, to live was this  
6 Have this with the Spirit

14 What Paul and the Philippians had  
17 A kind of partner Paul had  
18 Enemies of the cross glory in this  
19 Beware of these  
21 Paul counted all he'd gained as this when compared to Christ  
22 Adopt the same one as Christ.  
23 What Paul considered everything compared to gaining Christ  
24 Paul's tribe  
25 One of Christ's coworkers

35 And Crown  
36 Paul's God will supply all of these  
37 Included among the recipients of the letter  
40 In this consider others more important than yourself  
42 Those who should look out for the interests of others  
43 Paul sent greetings from people of his household  
46 And brothers  
48 At this name knees will bow  
49 Contended for the gospel at Paul's side

53 Paul pursued this as his goal  
54 Paul considered this as gain
